

The Fabulous **BURNSIDE**
BUNGALOWS
 & ORGANIC FARM *Since 1996*

Welcome to Burnside Bungalows & Organic Farm!

The best way to see what we grow and our animals is to walk the Farm Walk Trail Loop.

Watch chickens, geese and pigs foraging in the avocados, cows, sheep, the first capers grown in the area and the 400 year old Marri tree near the vineyard

In front of our house we have chickens, orchards and vegetable gardens. You are welcome to pick some fresh produce from the veggie garden and whip up a tasty organic feast. Herbs, silverbeet and lettuce are always growing. Please ask first before picking other vegetables.

Come and help us feed the chickens each morning at 8am. Meet at the veggie garden.

Start the day with the National Park Walk Trail. A lovely 35 minute walk. There is nothing like the smell of the Jarrah/Marri Forest, beautiful wild flowers and orchids in spring and the calming birdsong.

Or maybe just sit back, enjoy a glass of our Zinfandel wine and watch the kangaroos feeding. Whatever you decide to do we hope you enjoy your stay and our special area.
